# Welcome

Welcome to the June 2005 issue of Pension News, the magazine for HHG pensioners.

Inside you will find a selection of the interesting letters and photographs we received in response to the 'Who do you recognise?' article in the last issue. Clearly we jogged some memories so please keep them coming!

The observant among you will notice that we have incorporated the retirements and obituaries listings into the magazine. We hope you like the new, combined format.

It is always nice to hear what you have been up to and we have several reports of pensioners' association events. A diary of forthcoming events and contact details for the various pensioners' associations can be found, as usual, on the back cover.

Please send any letters, articles or photographs for publication, as well as any comments you may have, to: Pension News, Staff Pensions, The Pearl Centre, Lynch Wood, Peterborough PE2 6FY.

We hope you all have a wonderful summer!

## Sale of Life Services

The Trustee has promised to update members on the progress of events reported in their letter of 13 December 2004 relating to the sale of Life Services and the associated changes affecting the Pension Scheme. We intend to include an update in the Report to members, which will be sent out to all members at the end of June. In the meantime may I reassure you that the changes have no impact on the level or payment of your pensions.

Secretary to the Trustee

## Arthur Bone

We regret to report that former Director of Pearl Assurance, Arthur Bone, died on 16 January at the age of 96.

When he retired in December 1976, Arthur said how proud he was that he had been able to complete 50 very happy years' service with such great company as Pearl.

His long and distinguished career started in 1926 as a school leaver when he had been advised to join Pearl, "as he ought to become an actuary" in view of his flair for figures. True to form, he studied hard and qualified as a Fellow of the Institute of Actuaries in 1937. The peak of Arthur's career with Pearl was when he was elected to the Board of Directors in 1970.

During his life at Pearl, he was passionate about music and served as Chairman of Pearl's Orchestral Society. He made more than 50 concert appearances as leading violinist. Arthur was also a most active President of the Sports Club's Recorded Music Society.

Arthur met his wife Ida, who predeceased him, while she was working in the Policy Department.

Secretary of the Pearl Chief Office Pensioners' Association, Colin Jeffryes, says: "Arthur was a stalwart member of the Association and thoroughly enjoyed attending the Reunions on a regular basis. Even at the age of 93, and with the help of his zimmer frame, he was present at the October 2002 Reunion at the Bonnington Hotel in London – thanks to his only daughter taking him by car – a true sign of Arthur's determination to be with his fellow pensioner friends and colleagues from the old Pearl days, which meant so much to him.

## Bob Bergin

Readers will be sad to learn of the death of former Divisional Manager Bob Bergin on 25 March aged 77.

Bob started his career at Pearl in 1953 as a district agent in Birmingham South. He was soon promoted to ADM at Saltley and in 1964 he was appointed Ordinary Branch Inspector. When he

was promoted to District Manager for Prontypridd, where he worked for seven years, he was reported to have been the first non-Welsh manager appointed in Wales.

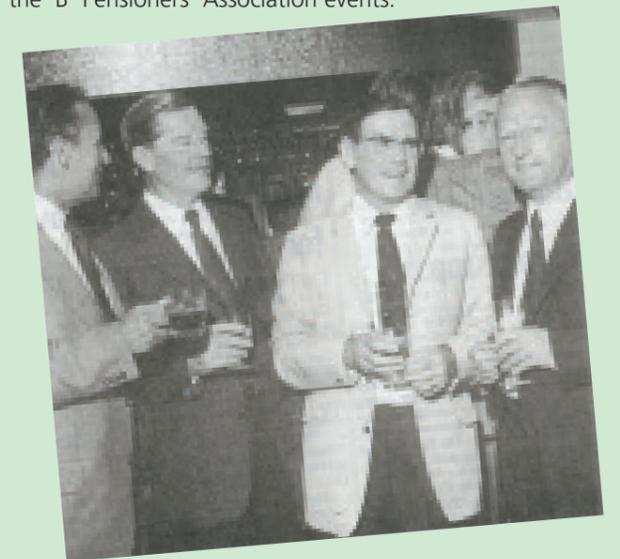

In 1972 Bob was appointed Field Staff Training Officer at Chief Office in London and promoted to AA Divisional Manager in 1974. He retired in 1989 having served the Company for nearly 37 years.

**"Bob endeared himself to everyone he came into contact with"**

Former General Manager, Edgar Evans, recalls Bob's great love of sailing. He sailed his dinghy, whenever he had spare time during his long career, to enable him to relax and enjoy himself with his family and friends. After he retired, Bob spent more time on the golf course. He was such a keen golfer that even his holiday home in Spain was situated on a golf course and this is where he had spent and enjoyed so many happy times with his family and friends.

Bob was a very proud and caring family man, having married his wife Shirley in 1954. They had three children and there are now several grandchildren.

Hon. Secretary of the Pearl Chief Office Pensioners' Association, Colin Jeffryes, was one of so many who benefited from Bob's tremendous ability to support and encourage others in a very positive way. He comments: "Bob endeared himself to everyone he came into contact with. He was such a friendly, kind and generous man who generated geniality and enthusiasm. As well as being one of our members, he was a regular supporter of the 'B' Pensioners' Association events."

The funeral took place at Haywards Heath, Sussex, and many of his Pearl friends and colleagues attended. On behalf of all Pearl pensioners, we offer our sincere sympathy to Shirley and all the family.

## Some names to faces

In the December 2004 issue, we printed this photograph and asked readers if they recognised any of the faces. Beryl Higginson has replied and provided a full list!

Beryl writes: I know all the girls as I worked with them at Attringham Hall, and this was taken in the grounds after we had had lunch.

From left to right were Jean Battles, Madge (I cannot remember her surname), Joan Brown, Vera Seabrook, Beryl Gage (now Higginson) and Peggy Ellis.'

## Recalling 'the old days'

The black and white photo (December 2004 issue, reprinted on previous page) took me back a long way, but I cannot put any names to the ladies in the picture.

However, I'm answering your request for recollections of the 'old days' by sending some of my own. I joined the Company at their Head Office in High Holborn in 1930 and was to stay there until I left to get married in 1938.

My department was Accounts No.1 where, after serving my time as a junior, I was attached to the clerical

staff, although later I became a shorthand typist where I spent many happy years.

I am enclosing a photograph of the other typists taken on the roof where one had a wonderful view of that part of Holborn, although later on I understand it became forbidden territory! This snap was taken about 1934.

I was also a member of the Gymnastic section, and played inter-departmental netball in Lincolns Inn Fields before work.

In those days before the war, the Pearl Opera Group produced an annual musical show, put on at one of the London Theatres – I remember particularly 'Rose Marie' and 'White Horse Inn' – and every summer there was a Sports Day held on their own ground at New Malden in Surrey – happy days!

My husband – Clifford Hodges – worked in the Fire & Accident Accounts Department, and was a member of the Orchestral Society for whom he composed suites of music and fantasias on Christmas Carols.

During the war years we both worked at Uplands House, Pease Pottgage, just outside Crawley where many of the staff lived, and this was before it was developed into the new town that it is today.

In October 2004 I celebrated my 90th birthday, but I still remember with much pleasure the years I worked for the Pearl and the many friendships I made there.

## Chance for Pearl Pensioners to return to former Chief Office

Members of London and the Peterborough Club have a unique opportunity to return to their old 'home' and Pearl's former Chief Office in Holborn, London on Saturday 8th October 2005.

The Pearl Chief Office Pensioners' Association is celebrating its 40th anniversary this year and its Committee is organising a special Luncheon Reunion in the Grand Ballroom at 252 High Holborn, which is now the five star Renaissance London Chancery Court Hotel.

The cost for PCOPA members is £30 per head and £37.50 for non-members. Each member of London and

Peterborough may bring a guest. Numbers are limited and a full house of 250 is anticipated; only a few tickets remain available.

If you did work for Pearl in Holborn and are interested in attending this very special occasion, please write to the PCOPA's Hon. Secretary, Colin Jeffryes, without delay for more information – address on back page. Also, if you would like to join the Pensioners' Association, it costs a mere £3.00 for life membership.

A full report and photographs will be in the December issue of Pension News.

## Another photo challenge!

You asked for any old photographs of the good old days. Well the only one I have is of our office staff.

Maybe you could work out where they are now. Perhaps they would like to meet up sometime – that would be interesting!

The photo was taken about 18 years ago and many of the agents would be pensioners now.

By the way, when I first joined Pearl we had a lovely manager in Ealing HH division. He was a man called Ron Scott who took early retirement. I wonder if he reads Pension News. He would know many of the agents, but where is he now?

**Joan Fisher**

## 'M & CC' canal trip

Last August, 50 of our members had a fabulous day when they took a canal boat trip from Skipton in the Yorkshire dales. The scenery was stunning and the boat crew looked after all our needs to make it a day to remember.

## 'K' Pearl pensioners' luncheon

Around 50 'K' Pearl Pensioners met for their Spring Luncheon at Titwood Bowling Club, Pollokshields, Glasgow on Thursday 7th April. After a very enjoyable meal, President Jim McConnacher and others contributed humorous stories, a little magic and a Scottish song to round off a very happy occasion. And, of course, it was 'good to talk'!

It is hoped to arrange another event or excursion in the autumn.

# 'X' Pearl Pensioners' weekend in Belgium

Once again a party of X Division pensioners and friends set off for a weekend on the continent.

Travelling by coach, and after a good ferry crossing, the party travelled on to Ostend in Belgium and arrived in time to be treated to a welcome drink by the hotel staff before dinner on the Friday evening. The hotel was very good and situated central to the town and also within walking distance of the promenade and beach. After dinner, many took advantage of this facility to stretch their legs and blow away the cobwebs after the day's journey.

On Saturday morning the driver took us to a Dutch village called Sluis situated at the end of one of the canals. This proved to be a pretty little

place with some attractive shops, lots of flowers and water fountains and also a shop where one could watch clogs being made.

Then it was on to Bruges – a beautiful town. Trips could be taken either by boat on the canals, horse and carriage, or by bus. All proved to be very informative and interesting. The shops abounded with lace, leather goods and chocolates. There were also many lovely cafes to visit for afternoon tea and pastries.

Sunday saw us off again – this time to Brussels – where people were free to do their own thing. Some spent time in the beautiful cathedral, while others walked to the main square where celebrations were taking place to mark the 60th anniversary of the liberation

of Brussels at the end of WW2. There were parades of army vehicles, both British and American, past and present. Bands were playing and people were dancing and singing to the 1940s style music.

Soon it was time to start our journey home. The hotel manager and staff came to wave us off and wish us 'bon voyage'. They really had been most friendly and hospitable. A visit was made to the hypermarket at Boulogne before boarding the ferry at Calais for our crossing to Dover and home.

A good time was enjoyed by all. Our thanks should go to our Secretary Ray Ridout and his wife Marion for all the hard work they put in to arranging another good weekend.

## A host of golden daffodils

This is the wonderful sight that greeted Cumbrian Pearl Pensioners as they arrived in Cockermouth for their Spring Luncheon on 13 April at the Trout Hotel, being situated only 50 yards from Wordsworth's House in Main Street.

The house grounds, the flower beds all over the town and the banks of the river Cocker are all adorned by hosts of the proud golden flowers that greet travellers from far and wide who journey to see their beauty.

William Wordsworth is said to have written the famous poem on the shores of Ullswater in 1802.

*I wandered lonely as a cloud, that floats on high o'er vales and hills;  
When all at once I saw a crowd, a host of golden daffodils;  
Beside the lake, beneath the trees, fluttering and dancing in the breeze.*

## Southern Area Pensioners' Association

Another active year has passed by with the Association.

We had lunch at the Mayflower, Bournemouth in October with 39 members attending. The Mayflower Theatre, Southampton has again been popular with 34 members attending for the show CHICAGO. Once more, a good time was had by all.

May saw another lunch at Bournemouth with 44 attending. The Annual General Meeting followed and Tony Walker became the new President.

A further visit to the theatre at Southampton was attended by 34 members, this time for Andrew Lloyd Webber's Starlight Express.

The committee is trying to arrange a tour of the Isle of Wight in the summer. Members will be notified if they are successful.

In spite of the tragic loss of two members, including my Kathleen, the numbers have seen a small increase and members still appear to be young at heart.

Stanley Lucas

## Anniversaries

Belated congratulations to Arthur and Katherine Alexander on celebrating their 56th wedding anniversary on 20th November 2004.

## Help the Aged's top 10 tips for ageing well

- 1. Take more exercise.** Exercise not only makes us feel fitter, more alert and younger, it also prevents many of the disabling conditions we associate with later life.
- 2. Give up smoking.** It's the biggest single risk to your health after inactivity. It's not just lungs and hearts that are at risk, smoking will slow down your rate of healing. That's bad news if you need an operation or injure yourself.
- 3. Keep socially and mentally active.** Having a strong network of family and friends and a range of activities is vital to your health. The best remedy we have for some of the mental problems of older age is to keep on challenging the grey matter.
- 4. Drink more water.** Many of us are slightly dehydrated. This interferes with digestion and other processes, and it fogs up the brain. Drink a variety of drinks to keep your water intake up (you can't beat water itself!).
- 5. Get outdoors as often as possible.** For exercise and because exposure to light – especially sunshine – is vital for our body clocks and vitamin D levels. Lack of vitamin D makes development of osteoporosis more likely. Getting outdoors is important for social reasons too – it keeps us in touch with the world.
- 6. Eat lots more fruit and vegetables.** These are nature's anti-ageing remedy, protecting us from many of the diseases we associate with later life.
- 7. If you drink alcohol** – little and often will do you the most good! People who regularly drink small amounts of alcohol tend to live longer than people who don't drink at all. The maximum benefit is achieved by drinking between one and two units of alcohol a day.
- 8. Make your home safe.** Clear your home of things that can trip you up. Increase the level of lighting – especially on the stairs – so you can see properly. Always get gas and electric appliances installed or checked by a qualified person.
- 9. See your GP when you are not well.** Don't put up with health problems on the grounds of 'age' or assume that nothing can be done. Doctors are not magicians, but they can cure or alleviate most things. See your dentist and optician regularly too.
- 10. Be positive.** Every day, spend 20 minutes focused on a really uplifting thought or memory – you will feel better and your immune system will get a boost. Be positive about your wants and needs too – studies show that longevity appears to be linked to a determination to stay in control.
