Your news, photos
and memories

Welcome

Welcome to the December 2005 issue of *Pension News*, the magazine for Pearl Group pensioners.

On page 3, we have a report of the recent Luncheon Reunion held to celebrate the 40th Anniversary of the PCOPA. The event was made all the more special by being held at our 'old home' of 252 High Holborn in London.

We have your news and letters on pages 4 to 7. And also on page 7, there is a short article on the recent changes in pensions legislation. Whilst this has little effect on pensioners, we have had several requests to include something in the magazine.

We enjoy receiving your letters, photographs and reports of what you and the pensioners' associations have been up to, so please keep them coming.

A diary of forthcoming events and the contact details for the various pensioners' associations can be found, as usual, on the back cover.

Please send any letters, articles or photographs for publication, as well as any comments you may have, to: *Pension News*, Staff Pensions, The Pearl Centre, Lynch Wood, Peterborough PE2 6FY.

We wish you all a merry Christmas and a very happy new year!

Editor

Tom Lewis

We regret to advise you of the death of Pearl's former Deputy Chairman, Tom Lewis, aged 88.

He joined Pearl in 1936 and spent most of his earlier career working in the Ordinary Branch Departments and became Departmental Manager. Tom soon established great respect and enjoyed a most illustrious career with Pearl. He was a very generous, friendly and approachable gentleman.

In 1967 he was appointed an Agency Controller and then Controller (Staff) two years later. Tom became Personnel Manager in 1971, Deputy General Manager in 1973 and then General Manager (Personnel and Administration).

It was during this latter period that Tom, on behalf of the Company, became heavily involved and subsequently noted for the important development of the signing of a Formal Procedure Agreement, in recognition of the future closer link for Company–Union relationships.

Tom Lewis retired in December 1978 and was appointed Non-Executive Director; he became a Deputy Chairman from February 1980.

Tom and his wife Joyce spent most of their retirement living in Somerset. Members of the Pearl Chief Office Pensioners' Association often had the pleasure of Tom's company at their reunions at the Bonnington Hotel in London.

Then, in 2001, Tom and Joyce joined many other Pearl pensioners in the tours of the old 252 High Holborn, which had then been transformed into a five-star hotel. Shortly after their visit, Tom suffered a stroke since which time his enjoyment in retirement was restricted.

On behalf of all Pearl pensioners, we would like to convey our sincere condolences to his widow Joyce and all the family.

Colin Jeffryes

Hon. Secretary
Pearl Chief Office Pensioners' Association

Pearl Chief Office lives on...

Members of the Pearl Chief Office Pensioners' Association (PCOPA) and Pearl Pensioners' Club (Peterborough) were all warmly invited to attend the 40th Anniversary of the PCOPA at a special celebratory Luncheon Reunion held at our 'old home', 252 High Holborn, London, now the five-star Renaissance London Chancery Court Hotel.

Around 260 people from far and wide gathered on Saturday 8 October in the Reception of '252' and later for a delicious luncheon served in the opulent surroundings of the wonderful Grand Ballroom (in the basement of the building – hard to imagine!) by friendly members of the hotel's restaurant and events teams.

The splendid occasion started with the General Manager of the hotel, Richard Lyon, welcoming everybody. Richard made reference to the fact that he would "look after our building" and was so proud to be in a position where he can personally talk to people who knew the full history of '252'.

Chairman of proceedings was our own Robin Bevitt who delightfully steered us through the exciting afternoon. Chairman of the Peterborough Club, Tom Dougall, proposed a toast to the PCOPA and entertained us all with a brilliant speech, which was interlaced with his inimitable humour.

A Lucky Ticket Draw was made. The hotel offered the first prize of a one night stay at the hotel for two (including breakfast) and the two other prizes arranged by the Committee were lunch for two in the lounge of the hotel.

Many stayed overnight at the hotel, enjoyed a visit to the theatre and generally had the most memorable weekend.

The Committee was thanked warmly for their sterling efforts in making such a magnificent celebration such a huge success. Members left wondering when we could return...!

Some faces remembered

I wish to thank Joan Fisher, whom I introduced to Ronald Scott the District Manager of HH12 in Ealing, for sending in this photo (*Pension News* June 2005).

1. Pat Collier
2. Wiggi Bennett
3. Mr Fisher
4. Joan Fisher
5. John Redgrave

I have indicated all those I recognise. And now we just grow old – ah well! Thanks for the memories of very happy days in the Pearl.

Do you know these ladies?

In the December 2004 and the June 2005 issues of *Pension News*, you published pictures from the 'good old days'. I am enclosing a picture of a Pearl cricket team, mostly of members of the Actuarial Department from High Holborn.

I worked at the Head Office in High Holborn from 1951 to 1958, when I left for the birth of my first child – unfortunately not enough years to qualify for a pension. I met my husband, Paul, in the Actuarial Department and we were married in June 1957. Paul, now a Pearl pensioner, was transferred to Toronto in August 1959. We elected to stay in Canada when the Pearl decided to pull out, and we are both still enjoying life in Huntsville, Ontario.

We had great fun at the Sports Ground in Berrylands with our cricket team. The names are as follows:

Front row from left: Errol Holland, Sheila French, Daphne Butler (nee Day), ?, Beryl Clayson (nee Butler) and ?

Back row from left: ?, ?, Pam?, Jessie? And Pat?

Maybe someone can fill in the missing names. The photo was taken in 1954 or 1955.

Cause for celebration

Congratulations to Tom and Pat Dougall, Peterborough, on reaching their Golden Wedding Anniversary on 16 June 2005. They celebrated by taking a cruise and, just by chance, met fellow Pearl pensioners Michael and Doreen Morrison on board!

L Division – Northern Ireland

The first of the season's gatherings for the Northern Ireland pensioners was held on Wednesday 31 August and the setting was the beautiful Londonderry Arms Hotel in Carnlough, County Antrim. This is one of the most picturesque areas of Northern Ireland as it sits on the County Antrim coastline looking out across to Scotland. Unfortunately on the day we met it was not a beautiful day, there was heavy rain, thunder and lightning. However, this did not dampen the spirits of

the weary souls who had travelled to Carnlough, and the hotel provided an excellent lunch and many happy Pearl memories were relived. Because Northern Ireland is quite a large area to cover, the second lunch was held two days later on Friday 2 September in the Killyhelvlin Hotel in Enniskillen. This time the sun shone and again a marvellous lunch was served, and all had a great day out.

Ross Hussey

Croydon Pensioners' Association

The annual lunch was held at Croydon Bowling Club on Monday 25 April. Over 50 pensioners thoroughly enjoyed a traditional roast chicken meal with all the trimmings and plenty of wine. David Barofka proposed a vote of thanks to Sue Graham for organising another excellent event. The picture shows (from left to right) Sue Graham, Jean Lister, Prue Beck and Lou Thomas.

Malcolm Ash

London Life

Following cessation of business from the Bristol office in June, a grand closure party took place on 9 July in Bristol to which everyone who had ever worked for London Life during its existence of 199 years was invited. Some 500 people were present including a fair number representing the pensioner group and many who had left service before relocation to Bristol in 1981. Ian Ferguson, Secretary of the Pensioners' Association, said: "So many people attending was a reflection of the affection in which this famous Mutual Life Office was held by policyholders and staff alike."

S Branch – Durham

A big thank you goes to Derek Williams for his services to the association over the past five years. Derek's role has been taken over by Denis Parish whose contact details are shown in the diary of events.

NPI Pensioners' Association

Another fun-packed year! 22 events were planned for the year at our annual meeting (an excuse for another pub lunch) with six very enjoyable pub lunches throughout the year organised by different members of the group.

Our trips commenced in February with a tour of the Royal Albert Hall and the Cabinet War Rooms in March. In April we went to Pelham House and in May there was a trip on the Princess Pocahontas from the Medway, across the Thames, to Southend. This was somewhat akin to crossing a main road and avoiding juggernauts as there were so many container ships to be avoided, but we got there and back safe and sound.

June saw the first of our year's breaks to Rouen and Monet's Garden. Despite the weather all enjoyed themselves. Goodwood was the venue in July. Yet again the weather was not on our side with mist causing visibility problems, but the trip will probably be best remembered for the girls in the next coach and their attempts to put up a rather large gazebo under which to have their food and drink.

For once the weather was kind to us when we visited the RAF Museum in Hendon in August. In September we went to Amberley Working Museum where, amongst other things, you could enjoy an

interesting demonstration of clay pipe making.

In October we went on a trip to Clarence House and had a very interesting tour followed by lunch in a local pub. In the afternoon we had another interesting tour around London with a guide telling us about various famous mothers. It was amazing how many children some of our Queens had! Our day ended with tea in the crypt of St Martin In The Field.

Paul Marsh

Peterborough Pensioners' Club – Cromer trip

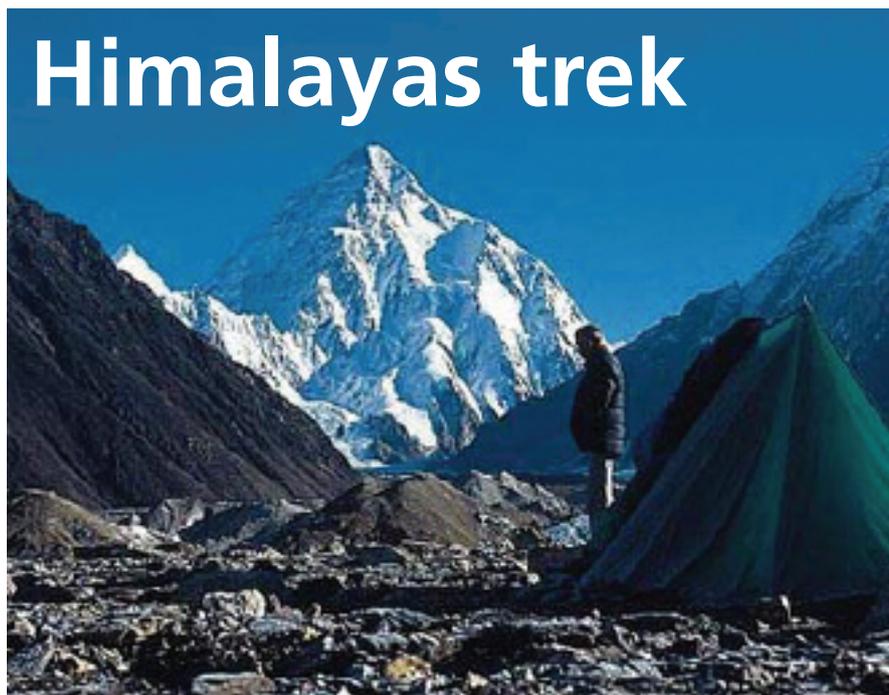

42 people certainly made the efforts of Terry, our programme secretary, worthwhile in their support for the trip to Cromer in August. The weather was perfect, the Red Arrows superb and the end of the pier show worth every penny. The Red Arrows were sighted bang on time at 12.30 and, in a 25-minute display under clear skies, made not a suggestion of a mistake. In a new manoeuvre, two jets'

smoke trails inscribed a large heart in the sky while a third dived through the heart like an arrow – red, of course. The Seaside Special two-hour show on the pier exceeded expectations. We set off home with a stop at the Ffolkes Arms and on approaching Peterborough, driving towards a typical Fenland sunset, someone turned to their partner and said: "A grand day out, Gromit".

Tony King, Secretary of the Pearl Pensioners' Club (Peterborough) has recently completed a five-week trek in the Himalayas, with the objective of reaching the Base Camp of K2 at 20,000ft and crossing the Gondoro La glacier at 18,000ft.

K2 is the second highest mountain in the world and reaches 5.5 miles into the sky!

The 12-person trek was supported by 30 porters with each trekker also assigned their own porter for the duration of the trip. All the tents, food, cooking gear and specialist ice and snow gear were all carried by the porters along with a 12.5kg bag of personal belongings for each trekker.

"We just had to carry our day packs each day," commented Tony.

The whole trip involved camping out in areas where avalanches and crevasses prevailed and the night temperature dropped to as low as -10°C . The luxury of a bath and shave at the end of the trek was most welcome along with a clean set of clothes!

Acclimatisation to altitude formed a critical part of the trip and Tony did suffer at around 17,500ft. "The diet of porridge for breakfast and rice for dinner got a little monotonous, and water from mountain streams had to be purified each day before consumption. The taste of iodine is not one of my favourite flavours," said Tony.

Tony will be making a presentation on his trek to the monthly meeting of the Pearl Pensioners' Club in April 2006.

Changes in pensions legislation

As you may be aware, the Government has introduced legislation that will have a major effect on pensions and how we fund our retirement. The chief aim of these reforms is to make pensions more flexible and provide more opportunities to save for retirement. There are also a number of other changes, some of which have already been introduced.

A new Pensions Regulator has replaced Opra, and a Pension Protection Fund has been set up to protect most pension benefits for members of company final salary pension schemes where the employer becomes

insolvent and the scheme does not have enough funds.

Although it will only affect a few people, there will be a Lifetime Allowance on pension benefits that can be built up. The total value of an individual's pension benefits cannot exceed the Lifetime Allowance without attracting tax on the excess. The Lifetime Allowance will be $\pounds 1.5$ million initially and will increase each year. In addition, there will be an Annual Allowance on how much final salary pensions can increase together with any contributions to money purchase pensions.

Another change, which has already taken effect, is that people can delay taking their State pension for five years after reaching State pension age and instead receive a lump sum payment. If you are interested in this option, you should contact the Department for Work and Pensions.

The new legislation has very little effect on pensions already in payment, but we will update you with any important information that affects pensioners as it becomes available.
