Welcome

Welcome to your June issue of Pension News, the magazine for Pearl pensioners.

We've had a good response to our request for your contributions, and it's lovely to see so many of you attending meetings and enjoying days out – the usual Diary of Events is printed on the back page, to keep you up to date with what's on in your area.

This issue sees some lovely trips and more of your celebrations – including birthdays, anniversaries and even a graduation! Thank you to those who have sent in their news, and remember – it's your magazine, so keep the contributions coming – we need them to warrant two editions a year!

"252" Pensioners AGM

90 former Pearl Chief Office (Holborn) pensioners gathered at the Bonnington Hotel London on 8 May for their Annual General Meeting. Colin Jeffryes was re-elected Chairman. Jim Rowden (Treasurer) and Ken McAleer (Secretary) also continue in office.

From left to right: Keith Foster, Brian Bushell, Bob Pool and Bill Willson.

Members present were pleased to hear from Chris Munro that the Pension Fund is in a healthy state. However, they were saddened that the Company is proposing to wind down its contribution towards pensioner meetings such as these. It was hoped that, even at this late stage, this decision might be reconsidered.

Against the background of this policy, a major survey had been carried out, late in 2006, amongst active PCOPA members. The AGM, having had a full discussion on the feedback, decided that it would continue to meet twice a year but would try to work towards self-sufficiency.

From left to right: Ron Strudwick, Ann Fritz, Bernard Fritz, Harry Prier and Bob Axbey.

New website to come

The Trustee Directors have asked First Actuarial to design and build a website for the Pearl Group Staff Pension Scheme. This will hold general Scheme information, news and any standard forms which can be printed, completed and sent to us. The website is expected to be ready soon and it is envisaged details will appear in the next Trustees Report to Members.

Faces Remembered

Pearl Ladies' Hockey

Moira Davis (nee Dickson) kindly sent us this photo of her hockey team, taken in the 1950s. The Second Team of the Insurance League won Division Two and the ladies are pictured with the Chairman and Vice Chairman of the Hockey Section.

Can you identify some of the team members? If so, please do get in touch.

From left (back row): (unknown), Sheila Parsons, (unknown), Audrey Hogwood (married Len Turner), Marion Jeal, (unknown), Moira Dickson, (unknown).

From left (middle row): Audrey Sugden, Monica (surname unknown), (unknown), Mr. Hugget (Vice Chairman), Mr. P. J. Green (Chairman), Janet Grey, Hazel (surname unknown), Trixie (surname unknown).

From left (front row): Iris Shipp (nee Prior), Margaret (surname unknown), Joan Ridley.

Staff at Leominster 1939

'Pearlies', do you recognise many of your colleagues here? Chief Office pensioner and former Company Official in Holborn, Alan Westmore, has been instrumental in resurrecting awareness of the tough life during the Second World War for Pearl staff when the company decided to decentralise staff in the Accounts and Claims departments to six geographical areas.

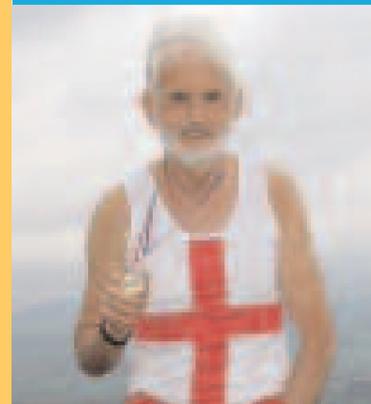

This photograph depicts staff who had been relocated for a period to Leominster. This most interesting resume of life away from the family, the emotions and 'living' with our colleagues is being read by many pensioners and the full version of the article is still available through Committee members of the Pearl Chief Office Pensioner Association.

Colin Jeffryes

Bill gets the Gold

In the last issue of Pension News we told you how Bill Atkinson, a former Pearl Preston agent, was chosen to run for England veterans in the Great Britain and Ireland Masters International Cross Country event. We are even more delighted to report that a triumphant Bill has since achieved a Gold medal with his teammates in the English over 70s cross country team. Our congratulations go to Bill, seen here with his winner's medal.

AMP Croydon

On 24 April 2007 the AMP Croydon Pensioners Group held their annual luncheon on St. George's Day at Croydon Bowls Club in South Croydon. The meal was much enjoyed by the 48 attendees, many of whom had travelled a considerable distance, as was the chance to catch up on old times and find out how lives had changed since the closure of the Croydon Office in 1995. Thanks to Sue Graham and her committee for organising the very successful event.

If you are a new pensioner and wish to be invited in future, please contact me using the details on the 'Diary of Events' page and Sue will be notified accordingly. Please check the December edition of Pension News for confirmation of date and place for the 2008 luncheon.

Robert Rose.

London Life Pensioner Reunion

The bi-annual pensioner reunion saw it's first Saturday lunchtime meeting on 12 May 2007 at the City Inn in Bristol. The event was attended by 30 pensioners from all over the country, ranging in age from 50 to 80. In addition to those attending, well over half of all current pensioners got in touch with messages and apologies and a desire to be invited to the next reunion.

It was particularly pleasing to see a number of pensioners who were attending for the first time, including some who had retired over 20 years ago. It was also good to see Ken Nordon who had travelled from Leamington Spa, Ben Thompson-McCausland who had travelled from London and Preston Pritchard who had travelled from Sherborne in Dorset. However, it was felt that future reunions should return to their traditional Monday lunchtime slot in order to avoid clashing with various events, like weddings, which are often held on a Saturday, meaning that a number of people couldn't attend this year's reunion.

At the end of a very enjoyable meal, Chris Essex gave an update on the pension scheme, London Life Limited and the wider Pearl Group, as well as news of a number of pensioners who weren't able to make the reunion – like Elsie Price, Pat Cook, Lavinia Scott and Les Cooper. Graham Horrocks, on behalf of those present, thanked Chris for all his efforts in organising this and future events as well as for

his time in keeping in touch on a regular basis with pensioners and other ex London Life staff.

Far right – Dave Treleavan, with (opposite, left to right) Pete Osborne, Mike Hope, Preston Pritchard, Ben Thompson-McCausland, Sue Mounsey and Carol Rowe. On far table left to right are Mike Wadsworth, Graham Horrocks, Richard Wales, Vic Bush, Ian Ferguson and Mike Earle.

As has become customary over recent years, the next pensioner reunion will be held in London in 2007, before returning to Bristol in 2008. If anyone has not yet got in touch with Chris about attending future events, then please ring him on 01225 873878 or contact him by e-mail on essexes@aol.com.

Another busy year for Pearl Peterborough Club!

2006 was rounded off with a trip to the traditional Christmas music extravaganza at Thursford. The visit ended with a meal on the journey home at the ever-popular Ffolkes Arms hotel, Hillington.

The Christmas monthly club meeting was enhanced by a picture competition and Geoff Delany and his wife Hilary obviously brought the right glasses to correctly identify all but one of the people featured.

Changing times

January's AGM reflected a number of milestones - none more important than the fact that it was the 250th time the club had met.

One very long standing servant of the club, Bob Vajda, decided to draw the line under his accounts for the last time and after 16 years as treasurer handed over the abacus to Mike Gamblin in a job swap. Bob, who will continue as Auditor, was presented with a gift with the grateful thanks of all the members for his effort and

guidance. To reflect Bob's outstanding service to the club, both he and his wife, June, were granted Life membership of the club. In addition to Mike Gamblin joining the committee, the role of Welfare Officer was filled by Colin Leary and the additional committee member vacancy was taken on by Mike Waller.

The annual luncheon at the Peterborough Masonic Hall was followed by an illustrated presentation by John Garrod, formerly of Chief Office fame. John was accompanied by his wife Pam for the occasion and his talk reflected on his experiences as a blue badge guide for the City of London. His pictures were of many buildings often passed but never admired and stories of experiences with different parties of tourists were both humorous and touching.

Plans for 2007

In June, a visit to St Albans for the Abbey, Cathedral and Gardens of the Rose is scheduled whilst in September

all those with a sweet tooth will be pleased to visit Bourneville and have a canal boat trip. The year will be rounded off with an October trip to the BBC television centre.

Terry Moon will be delighted to take any queries or requests for places (01733 262382).

The Club monthly meetings will continue on the second Thursday of each month at the Village Hall in Alwalton starting at 2.30, along with the regular events organised by the Music Society, Walking, Bowls and Snooker sections.

7th 'Old Pearl Reunion'

A successful event staged at a quality Oxford hotel over a weekend in March saw more than 50 members of the field force renew friendships and recall memories of yesteryear.

The programme commenced with a black tie dinner/dance accompanied by a live band, which continued until the small hours. The following day, people were free to choose to visit the various university colleges, or Blenheim Castle, or take a tour of the city.

On the second night a meal was laid on at St. Edmund Hall, one of the university colleges. Drinks were taken in the

wonderful setting of The Old Dining Room and following an excellent meal a local Blue Badge Guide gave a most interesting and informative talk regarding the history of the college.

Following a vote by all attendees, who were given 4 choices of venue, the next reunion will be staged in Gloucester, on 4 & 5 April 2008. A reunion has taken place in the Spring each year since 2000 and we have enjoyed some fantastic events together. If you are interested in attending this field staff reunion, please contact David Oliver on 01733 371174.

Northern Ireland update

The Northern Ireland pensioners continue to enjoy their regular meetings. During 2006 visits were made to Portballintrae, Newry, Omagh and Dungannon and the varied locations allow as many of the pensioners as possible to attend. In May we will be holding a lunch meeting in The Manor House Hotel, Killadeas, County Fermanagh and in June we will be holding a meeting at The Manor House Hotel in Kilrea, County Londonderry. We will again meet for our Christmas function in Quinn's Corner near Dungannon in late November, so you have been warned - book early!

Like many of the other Associations we have had difficulties in contacting all of the newly retired members due to the restrictions placed on the Company by relevant legislation but if you are a retired member living in Northern Ireland

and you have not heard from us simply contact me at the address shown on the back page of this magazine.

We enjoy a days craic when we meet - the main priority of the day is to enjoy yourself and we do not get bogged down in long drawn out meetings. We would welcome any pensioners from other areas of the United Kingdom to join us if we are having a meeting whilst you are here, so do not hesitate to contact us. Our former Divisional Manager Noel Eakins is Honorary President of our Group and we have just appointed two Honorary Vice Presidents - Eamonn Quinn (The Last 'L' Divisional Manager) and Mike Briggs (former 'M' Divisional Manager). There are rumours that the only role a Vice President has is to buy drink, however we will confirm or deny these rumours following visits from these illustrious former glorious leaders of the 'L' Division.

Birthday celebrations

Mrs. Phyllis Jones, who formerly worked at E12 Pontypridd office, celebrated her 80th birthday with former colleagues at the Glantaff Inn, Quaker's Yard, Treharris. Phyllis worked at Pearl for 25 years.

'K' Division enjoy the show

Members of 'K' Division Glasgow have had an enjoyable start to the year, beginning with a trip to the Pantomime Aladdin at King's Theatre in January. The show was followed by a really superb meal at the nearby 'Catch 22' restaurant.

The group's Spring lunch was held slightly earlier than usual on 22 March, and 34 pensioners gathered at Titwood Bowling Club for a most enjoyable meal, socialising and being treated to an afternoon of entertainment courtesy of group President Jim MacConnacher and Peter Wright who shared jokes, followed by songs from Jim Robertson, which rounded the event off on a cheery note.

Golden wedding for the Goldsmiths

By the time this issue reaches you, Keith and Menna Goldsmith will be counting down the days until their Golden Wedding Anniversary on 13 June 2007.

Keith started working for Pearl Assurance in Holborn in the Life Claims Department in October 1950 and has since completed 43 years service. After two years, he left to carry out National Service and returned in 1954, when he was introduced to a 'Miss Jones' who had started there in his absence. The rest, as they say, is history!

Keith and Menna were married in the Welsh Chapel in Holloway and lived in Central London for several years before moving to Upminster in Essex. Menna left Pearl to start their family – four children, Jane, Paul, John and Bethan.

Having lived in Upminster for 18 years before the relocation to Peterborough, the couple 'upped sticks' to the Northamptonshire countryside to live in an old railway station. Keith finally convinced the powers that be that he had reached the age of early retirement, and left the Lynch Wood office in 1993.

Keith and Menna have taken very well to retirement – it must be their range of interests and world wide travels visiting family (including nine grandchildren) which has kept their marriage so strong.

Our heartiest congratulations to you both from your former friends and colleagues at Pearl.

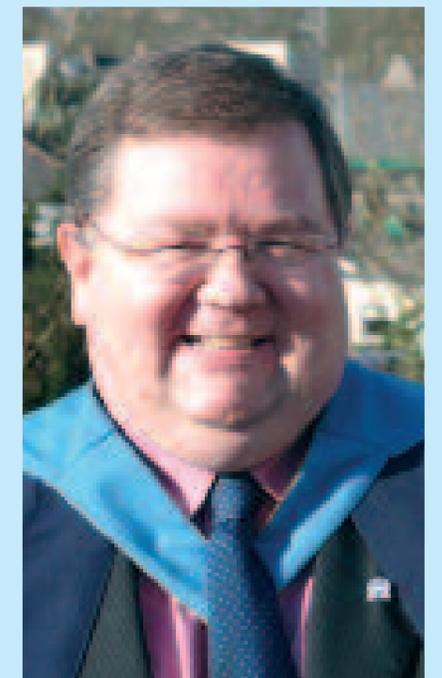

A Degree of success

Northern Ireland Pearl Pensioners co-ordinator Ross Hussey celebrated his academic success when he graduated from the Open University with a Bachelor of Arts Degree earlier this year. The former K16 (Omagh) District Manager retired in March 2002 and began his studies in October that year with 'An Introduction to the Humanities', spending a week at the Summer School in Stirling.

Ross says of his achievements, "I thoroughly enjoyed all of the materials and I have to say that it was my first

Manager and former Omagh District Manager Wilmer Mitchell who I used as a role model. Wilmer retired in 1983 and began his studies soon after. He also holds an Open University BA Hons Degree."

Ross is hoping to continue his studies and aims to complete his Honours at the end of 2007. Speaking in support of the Open University and its courses, he said, "I would encourage any of my former colleagues who have time on their hands to consider the opportunities studying with the OU would offer."
