*Me, soaking up the sun on one of the days it shone!*

**...and welcome to your June 2012 issue of Pension News. As I write this, the sun is out and the sky is blue. Let's hope it stays that way!**

We have lots of news for you, and, I'm pleased to report, some lovely photos. They really do cheer up our pages, so please consider sending some of yours in for other members to enjoy. This time around, we have group updates, family achievements and a walk down memory lane for some of you; turn to page 11 to see the photo supplied by Mike Evers.

There is some important Company news on the opposite page, which I hope you will take a moment to read.

This includes an update on the Pension Increase Exchange exercise which took place at the end of last year, and news on the future increases to be applied to pensions in payment.

If you have any questions regarding your pension, please contact the Scheme Administrators in Peterborough at the address shown on the back page of this newsletter. Any contributions for the newsletter should be sent to me, at:

## COMPANY NEWS

### PENSION INCREASE EXCHANGE

The Company wrote to eligible pensioners in November to offer them the option of receiving a one-off increase to their current level of pension income by giving up the right to future **non-statutory** increases that would otherwise be applied to part of their pension. The offer was made to exchange these for a higher flat pension, this part of the pension will not then increase in the future. This is known as a Pension Increase Exchange (PIE). This was a Company initiative but the Company kept the Trustee fully informed throughout the process. Approximately 40% of eligible pensioners contacted by the Company accepted the Company's offer. The exercise resulted in a reduction of £19m in the Scheme's liabilities.

### CONSUMER PRICES INDEX (CPI) AND RETAIL PRICES INDEX (RPI)

The Government announced a change to the basis for minimum statutory increases to pensions in payment and revaluation of deferred benefits to a CPI based measure instead of the existing RPI based measure. It has confirmed that it will not make it a statutory requirement to increase pensions or revalue deferred benefits by reference to CPI in those cases where pension scheme rules specifically refer to RPI. The Trustee can confirm the following applies under the Scheme:

- Increases to pensions in payment**  
 Pension increases on eligible pension will continue to be based on RPI. However, Guaranteed Minimum Pension (GMP) earned between 6 April 1988 and 5 April 1997 receives statutory increases and will increase in line with CPI in the future.
- Revaluation of deferred pensions**  
 Pension in excess of GMP also receives statutory revaluation in deferment which will be in line with CPI in the future.

## YOUR NEWS

### FOND FAREWELL TO I & K DIVISIONS

Regrettably, due to the lack of funds and dwindling member numbers, two divisions of the Pensioner Associations have decided to wind down. I have no doubt that all their members would like to join with me in expressing sincere thanks to both Rena Matheson (K Division) and Keith Beanlands (I Division) for all their hard work

in organising many enjoyable events over several years and in helping to make both associations a great success. I am sure all their members will have some very happy memories to cherish. Very best wishes to you both for a well deserved 'second' retirement.

### SAD LOSS FOR V DIVISION

It was with great sadness that we learnt of the death of Ian McHarrie on 31 January 2012 and we would like to send our condolences to Sylvia and the family. It is very much appreciated that, despite ill-health, Ian continued with his duties as Secretary and I am certain he will be greatly missed by all the members.

Wilf Beaumont has very kindly offered to take on the role of Secretary for the V Division, and his contact details can be found on page 23. If you were a previous member or have moved address, please let Wilf know so he can update his records and keep in touch.

## PCOPA NEWS

On 8 May, Colin Jeffryes, Chairman, welcomed 69 members to the 47th Annual General Meeting of the Pearl Chief Office Pensioners Association. He referred back to 1964 and the work that Joan Lawrence, through the Pearl Office Guild, had done to get PCOPA set up and running. It will be the 50th Anniversary in 2015 and it is possible that there could be a special gathering in 252 High Holborn, now a five star Hotel.

Colin gave a special welcome to John Plumridge, who was both Chief Office and Field during his working life and who had helped to get the T division Pensioners Association up and running, some 25 years ago.

With the assistance of Lynne Coniff at Peterborough, an update of our membership records took place. There are still many ex Holborn pensioners who have not yet joined the Association. We are anxious to keep in touch with all 252 people, for example, to point them in the direction of financial help via various trust funds. One of these is the Pearl Office Guild Benevolent Trust Fund. This organisation can be contacted at 20 Aldermanbury, London, EC2V 7HY (telephone 020 7606 3763).

Chris Munro, a pension scheme trustee, took questions on the current Fund

*Roger Jeary, Ken McAleer and David Maggs.*

situation. He said that there had been a 40% take up on the recent cash for pension offer. The next valuation would be in 2013 and he felt that the fund was healthy.

The meeting unanimously re-elected Colin Jeffryes as Chairman, Ken McAleer as Secretary, and Jim Rowden as Treasurer. Brian Bates, Neil Hoffmann and Pam Holland were re-elected to the Committee and Margaret Dunster agreed to carry on with her responsibility for the over 80 years birthday cards. Jim Rowden, Treasurer, reported that voluntary anonymous donations from members had once again helped towards keeping the organisation afloat.

## 2012 LONDON LIFE PENSIONER REUNION

The annual pensioner reunion was held on Monday 14 May 2012, for the fourth time at Porters English Restaurant at Covent Garden in London. The event was attended by a recent record of 39 from all over the country and ranging in age from 50 to 90 in July this year.

It was particularly pleasing to see a couple of pensioners who were attending for the first time. The full list of those attending were: Lionel Barham, Rita Bentley, Dave Bing, Maureen Cadle, Dave Chapman, Les Cooper, Philip Corneby, Tony Cosstick, Richard Dominy, Mike Earle, Chris Essex, Dave Fenna, Ian Ferguson, Monica Flashman, Mike Fry, Sally Gillespie, David Hancox, Richard Hayes,

*David and Rita Bentley and Mike Earle.*

Ashley Hopkins, Judy Hudson, Duncan James, Leonie Jones, Pam Mascall, John Maslen, Malcolm M'Clelland, Peter Miller, David Ogborn, Peter Osborne, JJ O'Sullivan, Preston Prichard, John Steward, Ben Thompson-McCausland, Mike Wadsworth, Sue Walden, Richard Wales, Nick Wheeler and Brian Wilson. In addition, David Bentley and David Cadle kept their better halves company.

At the end of a very enjoyable traditional English meal Chris Essex read out the names of all pensioners who had died during the last year.

*David Hancox and Richard Hayes.*

*Sue Walden, Duncan James and Preston Pritchard*

He then read out some of the messages he had received from those unable to attend and presented Duncan James with a bottle of champagne to mark his 90th birthday on 23 July 2012.

As is customary, the next pensioner reunion will be held in Bristol on 13 May 2013 at the Holland House Hotel, before returning to London in 2014.

If anyone has not yet got in touch with Chris about attending future events, then please ring him on 01225 873878 or contact him by e-mail on [essexes@aol.com](mailto:essexes@aol.com).

In the meantime, a group of ex staff meet every six to eight weeks at the Ostrich in Bristol on a Friday lunchtime and details can always be found on the website at [www.exlondonlife.proboards.com/](http://www.exlondonlife.proboards.com/)

## PEARL PENSIONERS CLUB - PETERBOROUGH

**The club has continued to flourish with 250 members, and at the AGM held as part of the January monthly meeting, 71 members attended.**

The running costs of the club have risen and it was agreed unanimously that members should now pay an annual amount of £6 with the Country Membership amount remaining at £2. It was also agreed that there would be the opportunity for members to make a voluntary contribution towards the costs of providing refreshments and the general running of the club.

At the AGM both Mike Waller and Colin Jeffryes resigned their positions but the chairman David West was delighted to welcome Judith Bates as a new member of the Committee.

The outstanding events of recent months have been the February luncheon, again held at the Greetham Valley Golf Club outside Stamford, and the monthly talk given by Jo Pratchett, a survivor of the sinking of the Laconia. Other talks have been on the life of Horatio Nelson, and a photographic and musical combined tour of Rutland. The first talk of the winter season was given by Mike Waller, one of the club's own members,

who mystified the audience with his presentation about his life as a choir singer in Peterborough Cathedral (or was he?!)

At the luncheon, the outstanding services given to the club by Colin Jeffryes were recognised with the award of Life Membership to both him and his wife Margaret. Colin served for many years as a co-opted member of the Peterborough Committee to report on all London matters and to act as liaison with London over corporate issues. This was a very popular and deserved recognition.

Terry Moon has continued to provide a wide variety of outing destinations and this year the highlight will be a three night stay in Chester, but other venues will be a tour of the local Perkins Diesel Engine Factory, a tour of the All England Lawn Tennis Club and a trip down the river Thames from Kew. A trip on the new guided bus to Cambridge and a visit to a Christmas show at Wicksteed Park are also lined up.

Bookings and queries for the outings should go to Terry Moon on 01733 262382 or email [terry.moon2@virgin.net](mailto:terry.moon2@virgin.net).

The celebration of the year so far has been the Golden Wedding anniversary of David and Barbara Oliver and the club presented the happy couple with a bouquet.

**Tony King**

## AMP CROYDON – THE WRINKLIES

This year's annual lunch was held at Croydon Bowls Club on St. George's Day. In celebration, a meal of roast beef and apple pie was enjoyed by the 57 attendees, with the usual high standard of hospitality superbly organised by Sue Graham and helpers.

Next year's event will, hopefully, be at the same venue in April but final arrangements cannot be made until September. Sue will be contacting the usual suspects in the New Year.

**Robert Rose, Secretary**

## NPI CLUB BUSY AS EVER!

**I shall start off at the end of last year with the Christmas Lunch held at Dale Hill Golf Club. This was enjoyed by all who attended, although some of the old faces were absent.**

Stan has done a great job as usual in keeping us all informed and arranging some outings, and so far we have had two trips. The first was a visit to the Turner Contemporary gallery in Margate to see the 'Turner and the Elements' exhibition.

Our latest trip was a return visit to the Olympic sites. Beautiful weather – except the air conditioning wasn't working very well! The day started with tea, coffee and biscuits at the Railway Tavern. The Olympic site in Stratford was built on 500 acres of what was industrial ground, including 180 acres of railway works, all of which has been demolished apart from a wall marking the boundary of the railway works. This has a couple of walled up doors which, in earlier days, opened directly opposite the Railway Tavern. I expect it did good business! We circumnavigated the site and then went through the security area. You are not allowed into the site to see any of the venues in close up so you have to go to the Westfield shopping area, to the third floor of John Lewis who have a large viewing window.

We then returned to the pub for a very good lunch before passing the ExCeL Centre where boxing, fencing and other events will be held, before boarding the Woolwich ferry to travel across to Greenwich Park (equestrian events) and the Royal Arsenal, where the shooting events will be held.

I am pleased to say a new member contacted me asking to join us. If there are any others of you who would like to join do get in touch with me (contact details on page 23).

**Paul Marsh**

## TONY LENDS A HAND

Congratulations to Tony King, Secretary of Pearl Pensioners Club (Peterborough), for being selected as one of the 70,000 Olympic Games volunteers. The summer will see Tony at Heathrow Airport working at the reception centre for all competitors and officials arriving there for both the Olympics and the Paralympics.

**Good luck, Tony!**

## SPOT THE FACE – ADD THE NAME!

Mike Eyers, former DM Braintree District Branch (A13) thought this photograph might invoke some memories of a District Managers course which was held at '252' on 30 April 1985. Mike does recognise many of the faces but unfortunately can't remember any names.

Come on – let's see how many names we can put to the faces so we can include a full count in the December issue. By the way, Mike is the one in the middle front wearing glasses and striped tie.

## A TALENTED BUNCH OF GRANDCHILDREN

Being Secretary to the X Division Pearl Pensioners Association, Lynne writes to me twice a year requesting details of any events which our association may be promoting. Well once again, I can only give her two luncheon dates. However, on a personal basis, my wife Marion and I have had great joy from three of our grandchildren (we have 15 – eight boys and seven girls).

Emily, who is 18 years old, qualified (by time) for the Olympic Games Swimming Trials at Stratford in March. A great day for us but unfortunately her time was not good enough for the Olympic Team 2012, so her target is now the Olympic Team 2016 in Brazil.

Thomas, also 18, was chosen to introduce four songs on soprano saxophone at the Royal Albert Hall on Easter Monday for the National Youth Choirs of Great Britain. He also plays tenor and alto saxophone, clarinet and recorder. Thomas does Saturday study

at the Royal Academy of Music; he plays jazz and classical, and also sings in a Baroque Choir.

Timothy, 16, specialises in the viola. He also does Saturday study at the Royal Academy. He is the principal viola in the National Youth Orchestra of Great Britain and recently soloed with them at The Sage, Gateshead and the Festival Hall in London with very good press reports. Timothy has already played at the Albert Hall and will be there again with the NYO for the Proms in August. He has been offered a place at the Senior Royal Academy from September.

Also on the horizon are Alexandra, 13, who is showing great promise on the trumpet and flugelhorn and Rachel, 12, who plays oboe and sings in the Luton Cantores Girls Choir, finalists in Choir of the Year 2012. As you can imagine, we are extremely proud of them all!
